

SFC110

Thermal Energy Generator

NEXT GENERATION IN HEAT TREATMENT PROTOCOLS

An effective portable, economical & discreet method to exterminate pests, odors, and pathogens.

Numerous independent scientific studies show that combining heat & the power of a UV-C light, you can reduce viruses, bacteria, and parasites. Our equipment will allow your business to treat rooms and effectively eliminate insects, sanitize and freshen the air, and reduce allergens.

Monitor progress with an online dashboard

Portable & discreet system

SFC110 Features

- Disinfect, exterminate and deodorize rooms up to 600 sq. ft.
- Leaves no residue or lingering odor

SFC110

Thermal Energy Generator

SFC110 Package Includes:

Power Cords: 6 (120v) Extension Cords

Wireless Temp Sensors: 5

Ultra-Violet Lights: 3 with stands

Electric Heat Source

Hydrogen Tank Cart w/hook ups

BWR Dashboard access

SFC110 Heat Source Specs:

Power: 9,300 Watts

Heat: 31,732 Btu/h

Weight: 27 lbs

Dimensions: 19" x 11" x 15"

Air Volume: 830 CFM

Thermostat: Local digital thermostat

Safety: Over temperature fault & tip fault

Special Feature: Zero ceramics used in unit

Warranty: 1 year on parts and labor, 2 years on heating elements
